Volunteer Program

We need your help! We are always looking for volunteers at our events. We need golf shadows and registration help just to name a few. If you are a parent or a student studying in the field of special education, behavioral health or another related course of study, please contact us today. Lets help our exceptional athletes learn a fun enriching sport and create friendships along the way.

To register, go to www.GfACA.org and fill out a contact form with your information or you can E-mail us directly at cmarson@GfACA.org. We look forward to seeing you at an event soon!

Donate Today

GACA is a non-profit organization. We rely on donations and fund raising to keep our program growing. We need your help for our exceptional athletes. Give back and give our kids a chance to learn a sport that is fun, challenging and personally enriching. Golf is a one on one sport in which autistic children can learn and succeed. We want to introduce this sport to kids that traditionally wouldn't be exposed to the game. Our goal is bring the community together and help plant the seed for our future generation of exceptional athletes!!

Register for an Event....

We are planning a series of no-cost putting clinics and workshops that we invite special needs kids and their families to participate in. We are teaming up with local golf courses to hold our events specifically tailored for our kids and their unique skill sets. Our goal is to have golf shadows available to help assist kids along with fun instruction and practice.

Come out and bring the whole family to support our kids and create friendships through golf!

To register, go to www.GfACA.org and fill out a contact form.
